

2022 LATAH FARMERS MARKET RULES

Troy Market Overview

Vision:

The goal of the Latah Farmers Market is to unite Latah County communities and foster pride by bringing local producers and shoppers together in an inclusive, safe, family-friendly weekly event, that is open to all.

Date:

The Farmers Market begins on Saturday, June 4, 2022 and will continue every Saturday through October 8, 2022. Market will be held rain or shine.

Time:

The Troy Market will open to customers at 9:00 AM and close at 1:00 PM. Vendors may start setting up at 7:30 AM, and must be set up, ready to receive customers by 9:00 AM. Vendors must stay for the entire market. Tear down and clean up will begin at 1:00 PM and must be completed by 2:30 PM.

Location:

The Troy Farmers Market is held at the Troy City Park. There are restrooms, electricity, and hand washing facilities at the Park. The Park is a public venue and the Farmers Market's use of the Park is not exclusive. Please respect the facilities and other park patrons and leave the Park in a clean, usable condition to ensure we can all continue to benefit from this public resource.

Qualifying Vendors and Products:

Products and services sold at the Latah Farmers Markets must be grown, sourced, produced, crafted, foraged, made, or raised locally within Latah County by Latah County residents. Products and services produced in the neighboring counties of Nez Perce County, ID, Benewah County, ID, Clearwater County, ID or Whitman County, WA may apply to participate in the Farmers Market, but acceptance is not guaranteed.

Set Up:

Vendors may arrive between 7:30 AM and 8:30 AM to unload their booth and merchandise at the park entrance. Market volunteers will be on site to assist vendors with locating their booth site and transporting items to their assigned booth space. Vendors may set up their booths only AFTER their vehicle has been removed from the loading area and parked at the approved parking lot.

Clean Up:

After the Farmers Market is over, vendors will take down their booth and make it ready for pick up before picking up their vehicles and driving them to the front parking lot to load. Vendors are responsible for removing any trash from their booth area, and for leaving the park in good condition before departing. Loading out will take place between 1:30 and 2:30 PM. Once again, volunteers will be available to help vendors transport their belongings to their car for load out.

Parking:

Vendors must park in the overflow parking area along the northeast side of the park, off of Randall Flats Road. Parking in the main City Park parking lot along Highway 8 is restricted to Park visitors and Farmers Market customers only, with the only exception being vendors with valid Idaho disabled plates or placards. A map with designated parking and loading areas can be found in "Appendix A" of this document.

Booth supplies:

Vendors are responsible for providing their own booth supplies, including an optional canopy, no larger than 10'x10', as well as any tables, chairs and displays required for their booth. Canopies must be properly weighted down with a minimum of 15 pounds per leg. The City of Troy, the Latah Farmers Market, its sponsors and/or

managers will not be held responsible for damages or injuries caused by unsecured or incorrectly secured canopies. The Vendor may be expected to replace property belonging to another Vendor if your negligence causes them damage.

Booth spaces:

Each individual booth footprint is 10' x 10', which will be oriented with a buffer between each vendor booth for traffic flow and social distancing purposes. Vendors may not place or display items in the buffer space between the booths. Vendors may extend signs or products up to 6' out of the front of their booth if desired, or they may utilize this space as an additional buffer for social distancing. Vendors may obtain a second adjacent booth space if desired to make a double 10' x 20' booth space. The same buffer zones will apply for double booths.

Power at booth:

Electrical outlets are available for a very limited number of vendors each week, and must be reserved in advance. Only U/L approved extension cords with GFCI power strip may be used. Cords must be covered to prevent hazard to the public. Preference for electrical outlet use will be given to food trucks and hot food vendors.

Cost:

Vendor fees are based on a voucher system. The more market vouchers you purchase at a time, the lower the cost per market. There will be no refunds issued for any unused market vouchers.

MARKET VOUCHER PRICING STRUCTURE

	ONE BOOTH			YOUTH VENDOR OR SECOND BOOTH		
	Vendor Fee	Number of market vouchers	Cost per market	Vendor Fee	Number of market vouchers	Cost per market
Full Season	\$180.00	18	\$10.00	\$90.00	18	\$5.00
Half Season	\$108.00	9	\$12.00	\$54.00	9	\$6.00
Monthly	\$60.00	4	\$15.00	\$30.00	4	\$7.50
One-time	\$20.00	1	\$20.00	\$10.00	1	\$10.00

Purchasing a second booth entitles a vendor to a double booth space, or it can be used as a second booth for another vendor in the same household.

Youth Vendors:

Vendors under the age of 18 qualify for the half-price booth rate if they are the primary owner and operator of the business, and/or producer of the goods sold. The Youth Vendor designation and discount is intended to incentivize youth entrepreneurship and business ownership; therefore, it is expected that the youth perform the majority of the business activities with the support and supervision of a parent or guardian. Products made or produced by adult family members are not permitted to be sold at Youth Vendor booths. Parent/Guardians are required to supply their contact information for tax documents and hold harmless release of liability.

Non-Profits:

There is no charge for 10' x 10' booths held by qualifying non-profits. Larger booths or a second booth for non-profits will be charged the second booth fee. Non-profits that sell merchandise at the Market are still responsible for obtaining an Idaho State Tax Commission Seller's Permit.

Food Trucks:

Advance reservation is required for participation, along with a list of what resources are required at the parking site, (i.e. power, water, etc.) Food trucks are subject to the same fees as other vendors.

Reservation:

Vendors should notify Market Management of their intent to participate in the weekly market by the Wednesday prior to that Saturday's market in order to receive their space assignment, and have their products promoted to the public in advance. Market management will make every effort to accommodate special location requests and consistent placement for vendors who attend the market regularly, but the Market Manager has final authority for booth assignments. Walk on vendors are welcome, but must arrive no later than 8:00 AM on Saturday to qualify for participation, and participation is subject to space and availability.

Cancelation:

If you are unable to attend a Market for which you are scheduled, please notify management no later than the Thursday before the market. Any vendor who repeatedly fails to notify management of absences will lose their preferred booth location, and may be denied participation in future markets without refund.

Securing a booth:

- Fill out the online Vendor Application on the website at www.latahfarmersmarket.com. Or email latahfarmersmarket@hotmail.com to request a copy of the Vendor Application.
- Submit the completed Vendor Application, a copy of your completed Idaho ST-124, Temporary Seller's Permit or Regular Seller's Permit number, along with your signed Hold Harmless agreement, and any additional compliance documentation to latahfarmersmarket@hotmail.com.
- You will receive confirmation from the Market Management that your application has been received, and that your booth is reserved.
- Pay for your booth online or make arrangements to pay in person at the Market.

Idaho Sales Tax Reporting:

Market Vendors must register for the Latah Farmers Market with the Idaho State Tax Commission to obtain a Temporary Seller's Permit for the event. Vendors will receive instructions on how to register as a seller for the Latah Farmers Market with the Idaho State Tax Commission when their application is approved to participate in the Market. The State Tax Commission will be checking for tax compliance throughout the Market Season. All Market Vendors are required by law to have a copy of their sales tax form in their Vendor space at all times.

Sellers with a Temporary Sellers Permit must report sales to the Tax Commission within 15 days of the end of the event they are registered for. Sellers who already have an Idaho Sellers Permit Number must register for the event using their existing permit number, and may report sales according to their normal reporting schedule. A Market space will not be assigned to a vendor without either a Temporary or Regular Sellers Permit. Vendors under the age of 18 must name a responsible party over the age of 18 on their permit for the purposes of tax compliance.

Public Health Management

COMPLIANCE IS YOUR RESPONSIBILITY! KNOW THE LAW!

Compliance:

Each vendor is required to know and adhere to all State, Local, and Federal laws concerning sales tax, licensing, health, safety, food sales, and product handling. Each vendor is required to keep at their booth copies of any applicable licensing or certification necessary by law to offer their specific goods or services for sale as proof of their compliance. Any authorized governing body or regulatory agency has the right to inspect any vendor for compliance.

Insurance:

Vendors should have their own liability and/or product insurance. The City of Troy, the Latah Farmers Market,

its sponsors, organizers, or managers assume NO responsibility or liability for the products and services offered for sale by independent vendors at the Farmers Market. The Latah Farmers Market offers a list of resources for information on its website as a courtesy to Vendors. Please take responsibility for ensuring your products are compliant and that all certifications have been obtained prior to signing up for the Market. If the Farmers Market management is notified that a vendor is non-compliant, the vendor may be required to forfeit his/her booth fees and lose his/her ability to sell goods at the Latah Farmers Market.

Health and Safety:

DO NOT attend the Farmers Market if you are sick, are experiencing any potentially contagious symptoms, especially symptoms that are known to be associated with COVID-19, or have been in close contact with a person who has tested positive for COVID-19 within 24 hours of the market.

Waste:

Vendors are responsible for their own set-up, clean-up, and safe operation of their space. Vendors will provide their own trash receptacles/bags to manage waste, and must take the waste generated at their booth with them at the end of the day.

Damages:

Vendors assume responsibility for any damages directly resulting from their use of the Park.

Additional Market Guidelines

Food:

Vendors who offer prepared foods must make these items in accordance with local and state regulations. State Code requires the use of commercial kitchens to prepare certain foods. Hot food vendors selling food intended to be consumed immediately are subject to Idaho Department of Health temporary food establishment regulations as well as local fire code. If using open flame cooking appliances, vendor must have a working fire extinguisher on site and a flame retardant booth canopy.

Organic or special labels:

Vendor must provide proof of certification in order to advertise a product as certified by any third party, i.e. “Organic”, “Certified Humanely Raised”, “Certified Grass Fed”. No products may be labeled “ORGANIC” unless Vendor has an Idaho Health Department Organic Certificate.

Samples:

Produce samples must be cut at Market and individually packaged in a manner to prevent contact by anyone other than the intended consumer. Please provide a trash receptacle for sample rubbish. Absolutely no samples may be offered of high-risk foods. See Department of Health and Welfare for a list of high-risk food.

Low-Risk Cottage Foods:

The Idaho Department of Health keeps a list of low-risk “Cottage Foods” which can be viewed at www.foodsafety.idaho.gov. These foods may be produced in a home kitchen and sold at the Market. To determine if your product qualifies, contact the local Health and Welfare office or complete the Cottage Food Risk Assessment Form on the Idaho Health and Welfare website. Foods that do not qualify as Cottage Foods may only be sold when they have been produced in an approved commercial kitchen.

Eggs:

Eggs must be cleaned and kept in a cooler with a temperature no higher than 45°, and cartons should be dated and labeled with producer's name, phone number and address, and the words “UNGRADED EGGS”.

Nursery Plants:

Plants and starts may be sold without a license as long as the annual sales are under \$500.00.

Selling by weight:

Products sold by weight must be weighed on a scale certified by the Idaho Department of Weights and Measures (208) 332-8690. Vendors must display the Certification from the Idaho Department of Weights and Measures in a clearly visible space within the booth. Alternatively, items may be sold individually, by the bunch, or by the bag if a scale is not available.

Respect and Language:

Be courteous and respectful to customers and other Vendors. Being disrespectful to customers, park patrons or other Vendors will not be tolerated. Foul and inappropriate language at the Market will not be tolerated. The Market is a community centered, family-friendly event and everyone is responsible for their behavior.

Smoking/Vaping:

Smoking and/or vaping is not permitted in the Vendor or food areas. Please be respectful to the non-smokers around you and use another area of the park or sidewalk for smoking.

Animals:

ADA Service Dogs are welcome at vendor booths, but personal pets are not allowed. Small animals, such as chickens, rabbits and turkey being offered for sale and/or rehoming as part of the vendor's booth sales are permitted with prior consent of management. All animals must be contained, and under direct control of their owner/handler at all times, and vendor is responsible for cleaning up after their animals. Any loose, uncontrolled, loud or unruly animals will be required to leave.

Promenade Safety:

Please respect the safety of pedestrians and market patrons by walking bikes and carrying skateboards/hoverboards in the Market promenade. Don't run in the Market promenade, and children should be supervised to ensure they are respecting the rules and staying safe.

Consent with Rules:

Participation in the 2022 Latah Farmers Market is voluntary and as such, any Vendor's participation will be construed as his/her consent to abide by and uphold the 2022 Latah Farmers Market Rules. Rules are subject to change with or without notice. The most current copy of the Rules will be posted on the Farmers Market website at www.latahfarmersmarket.com.

Consequences:

Vendors failing to follow the 2022 Latah Farmers Market Rules will be given a warning on their first offense. A second offense could result in expulsion from the Market at the discretion of the Market management. **The Market Manager is the final authority at the Market.**

Organization and Promotion:

The Latah Farmers Market is being operated by Idaho Market LLC. All proceeds from vendor fees will be used to offset expenses related to insurance and administrative costs, advertising, promotion, and events.

Management, promotion, and community outreach will be performed by both volunteers and Market participants. The primary point of contact for the Latah Farmers Market is Erika Sattler, PO Box 333, Troy, ID 83871, 208-827-3363.

Agreement to Hold Harmless, Defend, and Indemnify:

In order to participate in the Market, every Market Vendor shall sign an agreement that holds Idaho Market LLC and the City of Troy harmless for any and all actions or inactions of every Market Vendor or person associated with such Market Vendor and that agrees to defend and indemnify Idaho Market LLC, Market Management, and the City of Troy for any claim filed against the City of Troy related to any and all activities which are associated with the Market Vendor, the Market, or the Market Vendor's business.
